

1826-1828 S Viewcrest Lane Septic Tank Locations

The septic tank openings for 1826-1828 S Viewcrest Lane are identified by the blue dots on the southwest corner of the curbed island on the NW corner of 1828 S Viewcrest Lane. The openings are between 4" and 12" under the grass. The lids are 24" in diameter. The openings are partially and just slightly under the island curbing which will require three sections of curbing to be pulled up to access the openings.
